*HEARTFELT DRAMA TO BE RELEASED ON VOD JULY 7<sup>TH</sup>, 2015*

New York, NY (June 25, 2015) – Digital entertainment curator FilmBuff will release *THE QUITTER*, the third feature length film from director Matthew Bonifacio (*Lbs., Amexicano*). *THE QUITTER*, which also stars Bonifacio in the lead role, had its theatrical premiere in late 2014, and will be available nationwide on all major VOD platforms starting July 7<sup>th</sup>, 2015.

*THE QUITTER* follows Jonathan (Bonifacio), a failed baseball player, who upon re-meeting his ex-girlfriend and their seven-year-old daughter, realizes he carries more regrets than how he handled his baseball career. What follows is his earnest, awkward, and at times hilarious fight to become the father he never was.

Upon its premiere, *THE QUITTER* received overwhelmingly positive reviews from critics, with the New York Times calling it a “Textured, heartfelt drama,” while the New York Daily News raved about Bonifacio's “Cassavetes-influenced style.”

“*THE QUITTER* is one of those rare gems that really solidifies why we love indie film,” says FilmBuff’s Sam Scupp. “Matthew has an amazing eye for catching the beautiful moments of everyday life, and we are so proud to be working with him to distribute this film.”

“We’re thrilled to be working with FilmBuff,” says Bonifacio. “They’re the pioneers of digital distribution, which makes them the perfect partner to bring this film, a throwback to yesterday’s independent films about everyday people, to audiences.”

*THE QUITTER* is a Goodface Films production and is directed and produced by Matthew Bonifacio, written by Bill Gullo, produced by Julianna Gelinas Bonifacio and Neil Jain, associate produced by Bill Gullo, and executive produced by Aaron Wolf and Michael O’Farrell.

*THE QUITTER* will be available worldwide on July 7<sup>th</sup>, 2015, across all major VOD platforms including Amazon Instant Video, Google Play, iTunes, Vudu and Xbox Video. For more information visit [www.thequittermovie.com](http://www.thequittermovie.com)
